THEATRE OF MAGIC

The Theatre of Illusion extravaganza is the feature program of Magic by Bruce Chadwick. This exciting hour long theatrical production is filled with classic effects such as the sword cabinet and floating a lady in the air! Requiring 3-4 persons to perform, it includes fast-paced legerdemain, comedy talk routines, whimsical volunteer situations, and elegant illusion effects.

Utilizing over two and one-half tons of equipment, the program can be presented in theatres, on larger ballroom stages, and church platforms. It can also be performed in halls, gymnasiums, or other places that can be set-up in theatrical type environments. The program can also be self-contained complete with lights, a sound system, and even free-standing curtains and theatrical scenery.

Many groups and organizations use the THEATRE OF MAGIC program as a fundraising activity. We can even provide a free fundraising guide filled with ways to advertise, promote, and utilize this program to its fullest potential. Additional details are available upon request.

COMEDY STAND-UP MAGIC SHOW

This is Bruce Chadwick's one-man program that has been his staple presentation for over two decades. This dynamic 40 minute comedy magic performance has taken literally years to perfect with its timing, flow, and continuity tight and exact, never failing to captivate audiences. This family program is filled with intricate sleight-of-hand, comedy routines, unique legerdemain, and participation of audience volunteers.

This program can be transported by air with ease, and is great when the performance environment or destination dictates the use of a portable presentation. We also offer a combination of one hour of Close-Up Sleight-of-Hand plus our Comedy Stand-Up Magic Show, the perfect before and after dinner entertainment.

CLOSE-UP SLEIGHT-OF-HAND

This type of magic performance is ideal for use in going table-to-table and milling with crowds. Also known as "street magic", this is magic that occurs close-up and one-on-one with guests. The emphasis of this art is intricate sleight-of-hand. Performed on an hourly basis, this type of magic performance is ideal for table-to-table presentation, pre-banquet entertainment, and similar environments where magic is performed intimately with guests.

ADVERTISING AND PROMOTIONS

Each year we represent an array of various companies at their conventions, special sales promotions, and campaigns. Special magic effects and routines can be devised around company products and services. We can combine magic effects with sales tactics, relate general merchandising information, and help establish public relations. Magic is also the perfect vehicle to stop spectators at trade show booths and communicate company messages in unusual and exciting ways!

Dear Mr. Chadwick,

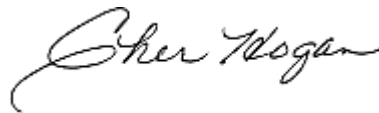

We're somewhat late with this, but we did want to thank you personally for your contribution to our annual Christmas party. It was a tremendous success! Covered on the news (WFAA/TV8), Ft. Worth Mayor, Bob Bolen called to commend us. When we say "us" we really mean you, because without your time and effort there would not have been any party.

For those of us that were there at the party; for those of us that saw the joy on the children's faces, and heard their laughter, we know: there really is a Santa Claus (thanks to you).

Thus, we want you to know how much we appreciate what you did, and know that your contribution, your time, your effort does not go overlooked in the New Year.

God bless you,

With Gratitude,
